

The Tuberculosis Behavioral and Social Science Research Forum: Planting the Seeds for Future Research. Proceedings

Author: CDC NCHHSTP Division of Tuberculosis Elimination

Publication Date: February 2005

Country of Origin: United States

Format: Report

Physical Description: 140 p.: col.; appendices, graphs, refs., tables.

Language: English

Abstract:

This report is the proceedings of the Tuberculosis Behavioral and Social Science Research Forum held on December 10-11, 2003 in Atlanta, GA. The Forum's goal was to identify and prioritize TB behavioral and social science research needs, so that a research agenda for TB prevention, control, and treatment could be developed. These Forum Proceedings include summaries of presentations and discussions, as well as a synthesis of research needs and priorities identified by attendees. For a hardcopy, contact the Communications, Education, and Behavioral Studies Branch at (404) 639-8135.
